

Nickerson Volunteer Fire and Rescue Department

Nickerson, Nebraska

Nebraska Fire and Emergency Service Personnel:

The Nickerson Volunteer Fire Department would like to invite your department/auxiliary to the 2011 NSVFA Annual Conference in Fremont, NE October 20th-22nd. We are excited to have the opportunity to host this event. Please note that two training opportunities will be offered by Crosby Grindle the Northwest Regional Director of the National Fire Protection Association (NFPA). The first seminar will be on Thursday afternoon October 20th from 2:00-4:00 PM and will be on residential sprinklers. The second seminar will be on Friday Oct 21st from 1:00-3:00PM and will be on how NFPA standards are developed. These seminars will be held at the Fremont Fire Department 415 E. 16th Street, Fremont, NE

Pre-registration and payment is requested by October 1st, to help with an accurate count for the banquet, since we will be charged for the estimate number we provide to the Clarion. Enclosed is a pre-registration form, please complete one form for each member attending the Annual Conference. The NSVFAA will be sending pre-registration forms under separate cover to the auxiliaries.

Please reply to the following address:

Nickerson Volunteer Fire Department
PO Box 125
Nickerson, NE 68044

Conference Delegates: Departments that pre-register for Annual Conference or that will register at the conference will provide names of their Fire and EMS delegates/alternates when they register. This method has been used at past conferences and has proved to eliminate the many changes that occurred at Annual Conference to these positions. The enclosed registration form provides an area which to do this. NSVFA Annual Conference name tags, indication participation status of conference attendees, will be supplied with registration documents picked up at conference.

We look forward to a great turn out including your presence at Annual Conference. If you have any questions please refer to the association's web site at <http://www.nsvfa.org/> using the conference tab on left side of the home screen or call the NSVFA office at 800-642-6024.

Sincerely,

Nickerson Volunteer Fire Department
